

Walk for Life 2025!

Your Pregnancy Care Center staff wants to say thank you for how you show up and pour into our clients! Many of you just did this by participating in our annual Walk For Life! This event is more than just a public symbol to our community that we stand for life; it is also part of the lifeline of our ministry. The funds we raise go directly to provide crucial services to our moms and dads in the community. This event allows us to continue to serve, love, and share the gospel with all who come into our center. We are grateful to each person

who came out this year, as well as those who cover us in prayer and those who give generously. We could not do this without you!

If you are interested in one of our Walk For Life t-shirts, we still have some left! Please reach out to us over email at commdir@pcchickory.com or give us a call at 828-322-4272.
