

## Welcome Sandy Costner!!

Sandy Costner recently joined the Pregnancy Care Center of Catawba Valley as their new Finance Director. Sandy has a Bachelor of Arts in Accounting from Lenoir Rhyne University and has experience in accounting, management, marketing, human resources, and the legal field.

When Sandy found out the Center needed a Finance Director, she reached out to her friend Lori Jenkins (a Board member) to obtain the job description. She felt the need to help find someone who could help as soon as possible. Unbeknownst to her God had a plan and that included her applying for the position herself. Although she already had a job, she willingly followed God's direction. Sandy enjoys working with people and volunteering in the community. She is a member of the Rotary of Catawba Valley and has volunteered over the years for several non-profit organizations in the region. Those organizations include the Women's Resource Center, Council on Adolescents of Catawba County, the Corner Table, Meals on Wheels delivery and Meals on Wheels Pen Pal program, Christ Church Care Team and Carolina Caring. Special to her heart is volunteering with Carolina Caring where she is a greeter in the Hospice House and has the opportunity to comfort family members of the patients. Sandy and her husband Chris along with their puppy Miley live in the Mt. View area and attend Christ Church.
