

## We are so grateful for YOU!

As 2024 comes to an end, we want to thank every volunteer, every donor, every prayer partner, and all others who have impacted our ministry! Because of the generosity of the community we serve, we were able to end 2024 being fully funded for our new building and we cannot wait to see what God has in store. As we close out the year, we look ahead to 2025 in expectation of great things. Our ministry began in 1985, which means we have been serving clients in our community for 40 years! God has done immeasurable things

within those 40 years and we are honored by His faithfulness. We have some exciting things in store for our anniversary and we can not wait to share those with you soon! Thank you again to each one of you for helping us be the hands and feet of Jesus.

**As we enter our 40th year**, would you prayerfully consider donating \$40 a month in celebration? **Donate at [pchickory.com/donate](https://pchickory.com/donate)**
