**Your
loss
matters...**

Whether through miscarriage, ectopic pregnancy, stillbirth or neonatal death, the loss of a baby causes many emotions. We are here; give us a call at 828-322-4272.

Pregnancy Loss Support

- *“Provided a safe, nurturing environment for me to deal with my loss.”*
- *“This helped us to understand our feelings and the way that other people react when something like this happens.”*
- *“When I went back to work, everyone asked me how my wife was doing, as if I had not been affected at all by the loss of our baby. We both wanted and loved our baby.”*
