

Our 40th Anniversary Year!

2025 is our 40th year in service to our community! We were incorporated in November of 1985, right here in Hickory, serving pregnant moms. Since then, we have relocated several times, added staff and services, and experienced tremendous growth overall. We began in 1985, focusing on advocacy and community referrals. Since then, we have added medical services, educational services, material services, mental health services, and a fatherhood program. We have become a limited medical clinic and now serve over 500 clients annually. The Lord has continued to be faithful to our ministry for 40 years, and we have

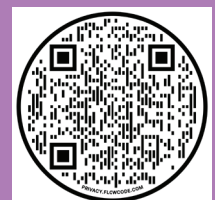

seen His hand in the smallest of details. As we look ahead in excitement for our new building and how we are growing, we want to pause this year to look back on the 40 years that have led us to where we are today. We were so blessed to gather together in June at Hickory Bible Church to eat, fellowship, worship, and celebrate the past 40 years. Thank you to those who attended and to those who played any part in helping! As a supporter of this ministry, please continue in this heart of celebration with us this year as we honor 40 years of God's faithfulness.
